

Van Leeuwen Dental

Insurance Registration

Understanding your insurance coverage can be challenging. Our goal is to assist you in maximizing your benefits. We care for patients from many different companies. Each company pays an insurance premium for specific coverage which fits the company budget. Each plan is slightly different with lower premium plans covering fewer services and lower fees for service. We encourage you to become familiar with your policy exclusions, deductibles and required co-payments.

Our courtesy service to you includes:

1. Filing your insurance within 24 hours of your visit and requesting payment of your benefit to our office.
2. Electronically filing your insurance for short turn around.
3. Researching your dental insurance plan to help in assisting and advising you of benefits available to you.
4. Re-Filing your insurance a second time at 30 days and a final time at 45 days.
5. Following the American Dental Association guidelines for coding procedures and filing insurance.

Our expectations of you as the owner of the policy:

1. Payment of fees not covered by your insurance plan at the time the service is delivered.
2. Understanding that the insurance policy belongs to you and we have no leverage to obtain payment from your insurance carrier.
3. Taking responsibility for payment if the insurance company does not pay our office within 60 days.
4. Keeping our office informed of any changes in your insurance coverage or employment.

To assist us in obtaining your benefits, please sign the "assignment of benefits" below to allow us to file your insurance claims. Also, please have all insurance information (i.e. subscriber ID, phone number, etc) ready for us to begin the claims billing process.

Authorization

I hereby authorize Dr. Michael or Dr. Adam Van Leeuwen to release to my insurance company information acquired in the course of my dental care. I hereby authorize benefits to be paid directly to Dr. Van Leeuwen. I hereby authorize payment directly to the dental office of the group insurance benefits otherwise payable to me. When estimating insurance coverage, I understand that it is only an estimate of benefits and that it is ultimately my responsibility to know my group and policy specific benefits and that I am responsible for all of the balance not covered by the insurance.

I hereby authorize the Dental Office to administer such medications and perform such diagnostic, photographic, and therapeutic procedures as may be necessary for proper dental care. The information on the Patient Information page and the Dental/Medical Histories are correct to the best of my knowledge. I grant the right to the dentist to release my dental/medical histories and other information about my dental treatment to third party payers and/or other health professionals. In the event my account is turned over for collections, the collection fee of forty percent (40%) plus attorneys fees and court costs, with or without suit, shall be my responsibility. I/We agree to pay all attorneys fees, court costs, filing fees, including charge or commissions up to forty percent (40%) that my be assessed to us by any collection agency retained to pursue this matter. I/We further agree to pay interest at the rate of one and a half percent per month (18.99% per year) on any unpaid balances.
